Sir:

REMARKS

Applicants have canceled all of the claims (1-51) that were originally filed and have added new claims (52-95), which reflect the invention that the Applicants wish to be examined. In a telephone conference conducted between the undersigned attorney and the Examiner on April 6, 2007, it was agreed that the Examiner would accept the new claims (52-95) as being representative of the invention to be examined, and would examine the new claims (52-95) going forward. Applicants thank the Examiner for her cooperation.
